SCI-FUN Early Bird for children with Additional Support Needs

- **Sunday 6 March • 10am to 11am**
- **Bleachingfield Community Centre**
- **FREE EVENT**

Dunbar SciFest, Steps to Inclusion and the University of Edinburgh are delighted to invite children with Autism Spectrum Condition and other Additional Support Needs, along with their families to enjoy SCI-FUN. This Early Bird event provides these children and their families exclusive access to experience 50 different interactive exhibits in relative peace. The SCI-FUN team and volunteers from Steps to Inclusion provide specialised assistance, including a Visual Story to help the participating children with Autism Spectrum Condition to prepare in advance for their visit.
